Additional Instructions for mailing your parcel

- Cut out the bar code and pre-paid return mailing label.
- Securely package the item to avoid damage during return--if possible, please use the original packaging.
- Follow the instructions on your printed Return Label page to prepare your package. For some returns, you may need to include a Return Label Authorization inside your return package.
- Affix the personalised return mailing label securely to the package, covering up any previous delivery address and barcode without overlapping any adjacent side.
- Please note that this label is postage paid for your convenience, subject to our [Returns Policy](#).
- Take this package to a Collect+ Location. To find your closest Collect+ location, visit the Collect+ Store Finder at <https://www.collectplus.co.uk/store-locator>.

**Note: If the label doesn't scan properly the store can enter the number manually.**

- To ensure safe transportation, the battery must be returned inside the product.
